

## gloooqPro activation

gloooqPro can be activated during the trial period or after its expiration. This manual covers both cases.

[ License file can be obtained only from gloooq's technical division ]

### Activate during Trial

To active gloooqPro during the trial period, please follow the steps below.

Log on to your administration interface.

In most cases it will be <http://yourservername/gloooq>.

Enter the username and the password to log-in.

#### Default credentials:

Username: gloooqadmin

Password: 123456

### Uploading license

Following successful sign-in, perform these steps:

- Open the Admin section by clicking on **“Admin”** at the top right corner.
- Click **“Browse”**. Locate your license file (**license.xml**), and click **“Apply”**.

### Expired license activation

If you need to activate your system after your license has expired, please follow the steps below.

Log on to your administration interface.

In most cases it will be <http://yourservername/gloooq>.

- Click **“Browse”**. Locate your license file and click **“Enter”**
- Following successful activation, please log-in to your system as usual.
